

Dear Families,

My name is Miss Fagan and I will be your child's Kindergarten teacher this year. I have spent the last four years teaching Kindergarten in Maryland and I am now blessed to be teaching Kindergarten at Brecknock. I was born and raised in Southern Lancaster County so I am glad to be back in the area.

I feel privileged to have the chance to work with your child in the upcoming school year! I am sure that it will be both an exciting and productive year. My major goals for this year are the following:

- Each student will gain a love for learning and being at Brecknock.
- Each student will gain mastery in the Kindergarten curriculum so that they are well-prepared to be successful in first grade.
- All students and families will feel comfortable in our classroom.

One main contributor to the success of these goals is communication between home and school. I will be sending home monthly newsletters that will give information on upcoming events as well as academic concepts that we will be working on and easy ways that you can assist with your child's learning at home. I will also call each family every few weeks in order to report on student progress as well as to answer any questions or concerns that you may have. However, at any time, please do not hesitate to contact me with any questions or concerns. Feel free to send a note for me in your child's take home folder, reach me by email at [candace\\_fagan@elanco.org](mailto:candace_fagan@elanco.org) or through the school phone at 717-445-8600.

Thank you in advance for all of your support!

Sincerely,

Miss Fagan
