CompassLearning®

Previewing Curriculum and Assigning Activity on the Fly

Previewing Content
1. Log on as a teacher
2. Navigate to **Content →Curriculum Index**
3. Click on **Subject** and **Grade Level**
4. Click on Title (middle of screen)
5. Click Sub Title- the activity will appear
6. Click on activity to preview

Choose an Activity Number for Students;

Follow steps 1 thru 5 (skip #6)

7. Next to *most* activity there is an activity number. Provide the activity number to students. Example:
   Write number on the board
   Post activity number on a sign
   Ask students to write the number down
8. Students can complete the Activity by clicking on magnifying glass lower-right corner of their screen. Enter the code and the activity will launch.
