Parent Presentation: Acceleration presented by Ann Lukowski-Shoplik
September 20, 2016, 6:30 pm to 8 pm
Manheim Township Public Library, 595 Granite Run Drive, Lancaster, PA

Learn about the latest research into acceleration. Discussion will include an overview of acceleration, the different types of acceleration (including grade-skipping, subject matter acceleration, Advanced Placement, distance learning, and dual enrollment), the social-emotional impact of acceleration, available resources, and a Q&A period.

Dr. Ann Lupkowski Shoplik is the Administrator for the Acceleration Institute and Research at the Belin-Blank Center for Gifted Education and Talent Development and an adjunct professor in the Department of Psychological and Quantitative Foundations, both at the University of Iowa. *For more about Dr. Shoplik, please see our website.*

9th Annual After Hours at the Lancaster Science Factory
October 12, 2016, 5 pm to 8 pm
454 New Holland Pike, Lancaster

Join us for an evening of hands-on science. Lancaster Science Factory volunteers will be on hand to answer any questions. LC PAGE will provide pizza and information on gifted education and parenting. Admission is \$7 per person (Sorry, memberships will not be honored.) Registration is encouraged to help with planning purposes (so we have enough pizza!). Please email lcpagepresident.
