WINTER SEASON 2016

ELANCO MUSIC NEWS

Serving the students and community of Eastern Lancaster County

Contact: Paulene Redding (717)-413-0955 with questions and/or comments

Dear Friends of ELANCO Music,

Welcome to the Elanco Music Coalition, a group in the making! The purpose of this group is to continue to build and enrich the amazing music programs right here in the Easter Lancaster County School District. Many of you have experienced the rich culture of music in our community whether through the ELANCO School District music education offerings or professional concerts of the New Holland Band. Music gives us a gift of a lifetime and its presence in our schools is something we would like to protect in our community. By keeping the New Holland community informed about our school and community music programs, we seek to build a partnership for future young musicians and new cultural opportunities for our citizens.

To join our group today, please contact Paulene Redding at Paulene.Redding@comcast.net or Call/Text 717-413-0955
